Dated: September 27, 2005

Confirmation No.: 1145

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In an Office Action dated September 7, 2005, the Examiner argued that this application includes three separate groups of claims, and required that the application be restricted to claims directed to one of these three groups.

CERTIFICATION OF FACSIMILE TRANSMISSION

I hereby certify that this paper is being facsimile transmitted to the Patent and Trademark Office on the date shown below.

Dated: September 27, 2005
John S. Sensny

Specifically, the Examiner argued that these separate groups are:

- I. Claims 1-15, which are classified in class 709, subclass 224;
- II. Claims 16 and 17, which are classified in class 714, subclass 4; and
- III. Claims 18 and 19, which are classified in class 709, subclass 223.

The Examiner argued that these groups of claims are related as subcombinations disclosed as usable together in a single combination, but also are distinct from each other because they are separately usable.

Applicants hereby elect Claims 18 and 19 for prosecution in this case. Applicants expressly reserve the right to file a divisional application for claims 1-17.

If the Examiner has any questions about this matter, the Examiner is asked to telephone the undersigned.

Respectfully submitted,

John S. Sensny
